Dear County Commissioners,

This letter is in regards to the road closure permit filed with the Tippecanoe County Board of Commissioners by Jordan Mellinger on behalf of The Sidewalk Cafe. We are requesting this closure for May 7th, 2021 for a concert that we would like to put on for the community.

We would like for the road closure to begin at 3:30 PM EDT to 9:00 PM EDT on May 7th. We are looking to close Monroe St. from the intersection of Monroe St. and Yorktown St. to the intersection of Monroe St. and Orchard St. This will allow foot traffic to safely pass between The Sidewalk Cafe and the seating area for the concert in the grass lot just North of the restaurant. The total duration of the closure would be 5.5 hours.

Attached is the additional documentation requested. You will find a map showing the closed section of the road and a plan for the safe rerouting of traffic, a certificate of General Liability Insurance, and the application for road closure.

We intend to notify the County Sherriff's Department for further instructions about maintaining proper closure of the road and to see if their assistance will be recommended. If you have any further questions regarding the request for closure of Monroe St. on May 7th, please contact Jordan Mellinger at (765) 491-8484.

Thank you,

Jordan Mellinger
